AutomatePro

Discover a world of seamlessly linked automation tools

servicenow ADVANCED PLATFORM Partner Build

Multi-Cloud · servicenow · salesforce · ORACLE Cloud Infrastructure · Veeva · workday · SAP SuccessFactors · SAP

⚙ AutoPlan

- Demand management
- Product Management
- Agile Management
- Requirements Traceability
- Release management
- Product Version Management

<> AutoDev

- Developer Console
- Developer Productivity
- Script Library
- Instance Performance Analytics

≣ AutoTest

- Control Console
- Test Plans
- Re-usable Test Blocks
- Requirements Traceability
- Multi-enviroment Testing
- Unit, Continuous, Regression & UAT Testing
- Automatic Defects
- ServiceNow Test Library
- Test Scheduling
- Quickstart AI Test Creation
- Execute 1,000s of parallel tests
- ALCOA Compliant Screenshoots

⬠ AutoDeploy

- CI/CD
- Automated Deployments
- Multiple Deployment Methods
- Post Deployment Tests
- Automate Deployment Evidence Collection
- Deployment Scheduling
- Automated Preview Actions
- Instance Management

⬈ AutoMonitor

- Monitor Console
- Security Monitoring
- Performance Monitoring
- Availability Monitoring
- API Monitoring
- Compliance Monitoring
- Update GRC Controls
- Automated resolution or immediate action
- DevOps Monitoring
- Custom Monitor Charts
- Configurable Lua Monitors
